OPENING OF THE PUBLIC SCHOOLS

The Clerk of the City School Board will be at the Armory Hall for the purpose of issuing permits for entering the Public Schools, which open on MONDAY, SEPTEMBER 5, as follows:

For white children--Monday, Tuesday and Wednesday, September 5, 6 and 7, from 9 a. m. to 2 p. m.

For colored children--Thursday and Friday, September 8 and 9, from 9 a. m. to 2 p. m.

Under the State Laws, all children before entering the Public Schools must be properly vaccinated.

In order that the schools may be properly organized, no permits will be issued after the 9th until the 10th. Those wishing to secure seats for their children will bring their city capitation tax receipts the year 1910.

Resolutions in memoriam, of thanks, tributes of respect, resolutions adopted by societies or persons, unless of public concern, will be printed in the paper at an advertisement.

THE APPALACHIAN EXPOSITION.

To handle the great crowds which are expected to be drawn to Knoxville, Tenn., by the Appalachian exposition, September 12--October 12, the Southern Railway has completed arrangements for a regular passenger train service of 12 trains in and a like number out of Knoxville every day during the exposition, giving one train in and out of Knoxville every hour of the day. Night trains in each direction between Chattanooga and Knoxville and between Bristol and Knoxville will be a feature of the service while the local service will be extensive and ample. In each direction there will be 5 trains per day from the south and southwest, 3 from the south and southwest, 6 from the north and east, 6 from the north, and 2 from the northwest. For the various special occasions which have been arranged the Southern will operate extensive special train service. Shuttle trains to the exposition grounds will also be operated.

Fifty-two officials and representatives of the passenger department of the Southern recently met in Knoxville and after a full inspection of the exposition which resulted in the greatest enthusiasm concerning the prospects of the exposition, completed all arrangements for running this extensive train service. The Appalachian will set a splendid mark in preparedness. All buildings are new, complete, many exhibits are being put in place, and the exposition will be at its best on opening day.

When the digestion is all right, the action of the bowels regular, there is a natural craving and relish for food. When this is lacking you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. They strengthen the digestive organs, improve the appetite and regulate the bowels. Sold by W. F. Creighton and Richard Gibson.

NOTABLE IMPROVEMENT.

Although the list of deaths and accidents due to the celebration of the Fourth of July is appalling, the "sane" observance of the day this year shows a notable improvement in this respect, according to statistics compiled by the Journal of the American Medical Association of Chicago.

Two thousand nine hundred and twenty-three were injured July 4th this year, of which 131 died. Sixty-seven deaths were due to tetanus; nineteen killed outright by fire arms; eleven by explosions of powder, bombs or torpedoes, six by cannon or similar contrivances, while twenty-six, mostly little girls, were burned to death by fire from fireworks.

In 1903, 4,449 persons were injured, of whom 466 lost their lives; 406 of them dying from tetanus.

The grand total for eight years shows that 37,526 persons have been injured in Independence Day celebrations. Of these 1,662 died, 604 as the direct result of the following injuries: 968 from tetanus following injuries. One hundred and twenty-two persons have lost their eyesight; 551 have lost the use of one eye; 452 have lost the use of arms, legs or hands, and 1,541 have been crippled by the loss of fingers.

The detailed figures for 1910 shows 72 cases of lockjaw, 67 of which were fatal; 7 persons lost their sight, 33 lost one eye; 26 lost arms, legs or hands, and 114 lost their fingers.

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take. Sold by W. F. Creighton and Richard Gibson.

STRIKE SETTLED.

The cloakmakers' strike in New York, one of the greatest industrial disturbances in the history of American labor, was settled last night. Seventy thousand garment workers, who have been idle for nine weeks, will shortly return to work. Then thousands of them and those dependent on them--50,000 souls in all--were on the point of eviction, and hundreds have already been forced onto the streets. The industrial loss to employers and employees has run high into the millions. In loss of wages alone the total has been estimated at more than \$10,000,000, while the loss to manufacturers, jobbers and retailers the country over has been computed at ten times that amount.

The rock on which all previous efforts at mutual conciliation have split has been the closed shop. That rock has now been avoided by the adoption of the "preferential union shop" idea.

In the articles of agreement the idea is thus described: "Each member of the manufacturers is to maintain a union shop; a union shop being understood to refer to a shop where union standards as to working conditions,

A Reliable Remedy FOR CATARRH

Wiley's Cream Balm

Is quickly absorbed. Gives Relief at Once. It cleanses, soothes, heals and protects the diseased membrane resulting from Catarrh and drives away a Gold in the Head quickly. Restores the Senses of Taste and Smell. Full size 50 cts. at Druggists or by mail. Liquid Cream Balm for use in atomizers 75 cts. Ely Brothers, 56 Warren Street, New York.

hours of labor and rates of wages prevail, and where, when hiring help, union men are preferred; it being recognized that, since there are different degrees of skill, employers shall have the freedom of selection as between one union man and another, and shall not be confined to any list, nor bound to follow any prescribed order whatever."

The settlement of the strike averts a crisis on the crowded East Side. With thousands out of work and unable to pay rent, the courts were literally swamped with eviction proceedings and there arose the prospect of thousands of mothers and children being rendered shelterless.

TWO WOMEN SHOT.

Two women were shot and dangerously wounded by enraged men in different sections of Baltimore within half an hour of each other yesterday afternoon. One of the men, who was an uncle of the girl he wounded, turned a pistol to his head and sent a bullet through his left temple. A husband in East Baltimore shot his wife following a dispute, and after throwing away the pistol he made his escape. The police are endeavoring to locate him. The three persons suffering from bullet wounds are in hospitals.

Miss Viola Poole was the victim of the first shooting. She is 18 years old. She was shot through the abdomen by her uncle, Peyton Poole, of Mount Airy, Md. because she refused to marry him.

Mrs. Mamie Mitchell, aged 28 years, was the second victim. She was shot in her left side by her husband, Thomas Mitchell, following a quarrel in the home of a relative. Her condition is serious.

Chamberlain's Stomach and Liver Tablets gently stimulate the liver and bowels to expel poisonous matter, cleanse the system, cure constipation and sick headache. Sold by W. F. Creighton and Richard Gibson.

HORRIBLE DEATH.

One man met a horrible death and six others are said to have suffered painfully severe burns when an immense pot of molten metal affixed to a traveling crane in the Illinois Steel Company's plant in South Chicago was overturned in some way early yesterday.

Thomas Powers, 50 years old, was the victim of the accident, but the names of others said to have been injured were hidden by employees of the company. Powers was a "first-ladle" man on an early morning shift, and it was in the performance of his duty that he was killed. Powers received practically the entire mass of molten metal over his body and he died in fearful agony a few moments later, while his horrified fellow-laborers stood about helpless.

The police say that some hitch in the machinery operating the crane and bucket made it upset and caused the death of Powers. The others who were burned received their hurts when the pot struck the floor and scattered its fiery contents about the place.

FIFTY YEARS' EXPERIENCE OF AN OLD NURSE.

Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with never-failing success by millions of mothers for their children. It relieves the child from pain, cures diarrhoea, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Twenty-five cents a bottle.

WEEK END TICKETS.

Local week end tickets Washington to Somerset, Warrenton, Harrisonburg, Bluemont and intermediate stations sold on Saturdays and Sundays, valid for return on Monday at very low fares, will be placed on sale by the Railway at Washington, D. C., beginning SATURDAY, May 28th, and continuing until October 2, inclusive.
